

NOVEMBER 29, 2018

You are invited to join us for an evening under the pyramid. Come learn how you can be better equipped to become a strong ally in your community. Here at The Beach there are a number of resources made available for free!

Speakers include our sexual assault advocate *Jacqueline Urtez*, who is housed here on campus, as well as *Alexis Sandoval* from WomenShelter of Long Beach. Following that, *interACT* will perform their show on sexual assault prevention.

The Pointe Conference Center is located right below the "Yellow Entrance" of the Walter Pyramid Sports Arena.
